As the Virginia Beach General District Court begins to expand the types and number of cases it intends to hear, as stated in the order dated May 12, 2020, it is important to keep in mind that subpoenas have not been served by VBSO for roughly two months due to the COVID-19 pandemic. Prior to bringing your client to the courthouse in anticipation of a contested hearing, it would be prudent to contact the prosecutor assigned to the case in order to discuss the matter.
